## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Dummer qualified to vote in district affairs:

You are hereby notified to meet at the Willis School house in said district on the 12th day of March, 1957 at nine o'clock in the forenoon to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, pass any vote relating thereto.
7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to have a part-time music teacher, in conjunction with several other districts in Union No. 20, and raise and appropriate the sum of \$318.20 as its share of the salary of said music teacher.
10. To see if the district will appoint a committee to study the possibilities of forming a Cooperative School District consisting of Dummer and Milan, and report back at a later meeting.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Dummer, this 15th day of February, 1957.

ELVIRA SIAS,  
RACHEL HOLT,  
MILDRED BACON,  
School Board.

\*The starred items are required by law to be raised as determined by proper authorities. The district determines the salaries of the district officers. The Supervisory Union Board decides the local share of the superintendent's salary and other Union expenses. The share paid by several districts toward the superintendent's salary for 1955-56 is as

follows: Dummer, \$130.00; Gorham \$2,720.00; Jefferson, \$390.00; Milan, \$460.00; Randolph, \$130.00; Shelburne, \$170.00. The state treasurer reports the amount of per capita tax, while the Teachers' Retirement Board assesses the amount for teachers' retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement. In those towns that are under the Social Security System, the amount to be paid by the district is determined by the Federal government.

Estimated income:

State Treasurer, for Noon Lunch Program, \$300.00. (This is an offset item under Special Activities and Special Funds, where the estimated expenditure is \$300.00. It has no effect whatever on the amount to be raised by taxation.) Any state aid or any balance remaining on June 30, 1957 will be deducted from assessment.

# Report of Superintendent

---

To the School Board and the Citizens of the Dummer School District:

## Foreword

Two significant programs were conducted during this past year which should have a decided effect on the education of our young people. The first was an extensive testing program, which the nine North Country Supervisory Unions conducted in cooperation with the State Department of Education. All of the pupils of Union 20 in Grades one through eight were given an intelligence test and an achievement test. After the tests had been administered and corrected, the results were sent to the State Dept. of Education where they were analyzed and tabulated. Three standards or norms were set up; one for the North Country, one for each Union, and one for each school district.

The results were returned to each Superintendent so that he could see how his Union as a whole and how each district, school and grade, compared to the total results. I would like to say that Union 20 scored very well in the program and was above the North Country norms and National norms in a majority of the subjects and grades. Of course, some districts in the Union did better than others, but the important thing is to make constructive use of the results.

From the results we can determine what subjects seem to be causing us the most difficulty, what grades seem to be the weakest and how individuals compare with others of their age, grade and ability. Teachers attended a workshop last fall where the results were explained and how the individual teacher can best use them. I definitely feel that by knowing how we stand compared to others, and compared to the ability each pupil has to start with, the teachers will be able to help each pupil improve in subject matter, and social growth.

A second program which will aid our schools and pupils was a Guidance Workshop held last October for all the teachers of Union 20. Outstanding speakers in this field spoke to and discussed with our teachers some of the principles that underlie a good guidance program. A committee was formed to set up a cumulative record system so that teachers will have a better knowledge of each child from the kindergarten through the twelfth grade. By knowing each student better, the teacher will be able to give him better instruction and will

be able to counsel him better in his immediate problems. By having a guidance program in our schools, counselors can do better in helping students choose their high school subjects so that they are qualified to go on to college or to go into a vocation, whichever might be their choice.

### **Teachers**

Mrs. Ruth Croteau, West Dummer and Mrs. Florence Hamlin, Willis, were the teachers again in our schools. As was stated a year ago, the district is very fortunate to have two such competent teachers.

### **Enrollment and Attendance**

There were 34 students in the Dummer Schools on Dec. 19, 1956, an increase of six over last year.

While our attendance was not as high as last year, it was well above the average for elementary grades. The combined average for the two schools was 95.6 per cent.

### **Buildings and Equipment**

Both buildings are in good repair, having been maintained carefully during the past several years. New maps were furnished the Willis School and new reference books were purchased for both schools.

### **Tuition**

There are eight tuition pupils at Berlin High School at the present time and from our enrollment this year, we can estimate that there will be ten next year. Berlin's tuition rate for 1956-57 was \$325.00 and we have been notified it will be \$350.00 for the coming year. We also have two state wards which the district has to pay for under a new law passed by the last General Court.

### **Transportation**

Two changes were made in the transporters this year. Anita Croteau is transporting the children to the West Dummer School and Mrs. Lois Hawkins is transporting the students to the Willis School and also serving as a feeder route to Donald Hodgdon's bus taking the high school pupils to Berlin. Both transporters are supplying excellent services and I am sure that our attendance record reflects the good transportation being offered the students.

### **Budget**

The School Board's total budget for 1957-58 is \$18,373.69 as compared to \$17,071.79 for this year. The added costs results from the added tuition cost, a slight increase expected for transportation, an increase for the two teachers as well

as an increase in nearly all of the supplies needed to carry on our schools. We will also have more pupils in the two schools another year, making it necessary to buy extra books and paper. The School Board has put into the budget enough money to give each teacher a \$200.00 raise, which will bring them up nearly to the state minimum salary. It is hoped that we can eventually bring the teachers' salaries to a point that is in keeping with other towns in the state.

### **Warrant**

Two special articles are placed in the warrant this year for your consideration. One calls for an appropriation to supply a part-time music teacher in conjunction with other towns in the Union. The cost for this special teacher will be \$318.20 for the year and he will spend two hours each week in the Dummer schools. Four other towns in the Union strongly favor having this added service and it is recommended that Dummer act favorably on the article. The second special article asks to see if district is interested in establishing a committee to study the possibilities of a cooperative school district with Milan and to report back at a later meeting. There are several advantages, educationally, where such an organization would be a good thing, and a study of the problem is recommended.

### **SCHOOL CALENDAR**

The following is the school calendar adopted by the School Board for 1957-58:

### Conclusion

AGAIN, I would like to express my appreciation to the School Board, the parents, teachers, students and friends for their cooperation and help. My associations with the people of Dummer have been most pleasant and these experiences give encouragement for providing the type of education our young people need and are entitled to.

Respectfully submitted,  
 GORDON R. TATE,  
 Superintendent of Schools.
